

Create IBM Watson IoT Platform And Device

TEAM ID: PNT2022TMID47379

TEAM MEMBER 1: CIBIE CHARAN S

The screenshot displays the IBM Watson IoT Platform dashboard. The main heading is "Browse Devices". Below the heading, there are two buttons: "All Devices" and "Diagnose". A message states: "This table shows a summary of all devices that have been added. It can be filtered, organized, and searched on using different criteria. To get started, you can add devices by using the Add Device button, or by using API." Below this message is a search bar labeled "Search by Device ID". A table with the following columns is shown: Device ID, Status, Device Type, Class ID, Date Added, Descriptive Location, Added By, and Device Class. The table is currently empty, and a message in the center says "You don't have any devices." with a "Create a device." button. The right sidebar shows the user's email (cibiecharan@gmail.com), ID (l1a82f), and account type (Bluemix Free). It also includes links for Service Status, Terms, Privacy, Support, and Blog, and a Sign Out button. The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the date and time (09:38 PM, 08-11-2022).

IBM Watson IoT Platform

Browse Action Device Types Interfaces

Browse Devices

All Devices Diagnose

This table shows a summary of all devices that have been added. It can be filtered, organized, and searched on using different criteria. To get started, you can add devices by using the Add Device button, or by using API.

Search by Device ID

Device ID	Status	Device Type	Class ID	Date Added	Descriptive Location	Added By	Device Class
-----------	--------	-------------	----------	------------	----------------------	----------	--------------

You don't have any devices.

Create a device.
